Astrid Wells Casting is the Tasmanian casting associate for the *The Survivors*.

THE SURVIVORS

An adaptation of Jane Harper's bestselling book, THE SURVIVORS is a mystery-drama about a small Tasmanian seaside community still dealing with the fallout of a massive storm fifteen years earlier, whose long-held secrets threaten to resurface when a new tragedy strikes.

THE SURVIVORS is a 6 part television drama series, produced by Tony Ayres Productions, the Australian company behind major drama series CLICKBAIT (Netflix), STATELESS (ABC-TV), FIRES (ABC-TV) and children's series SPOOKY FILES (BBC, ABC-TV).

The production will be based in Hobart, with filming in South East Tasmania to take place from January to March 2024. As your baby will be growing up very quickly, she will only be used for part of the filming block, likely to be 2 weeks.

This is a paid role.

There are strict care requirements and time restrictions when filming with infants which we will adhere to closely.
